VII. YOUR GOALS and PLANS ESSAY (DO NOT FORGET THIS!!!)

We want to know more about you. Please answer *the following questions in a two - three page essay.* The essay must be typed. **Please DO NOT put your name on the essay.**

In writing the essay, we want you to consider why you've chosen a particular career path. Are there jobs available in this field? Is it the type of career that you can earn enough to support your family? How much schooling will you need? Are the classes you need to take ones that interest you? You can answer these questions by checking out the school's academic programs on its website. You can also learn the job outlook for your chosen career by checking the Bureau of Labor statistics at <http://www.bls.gov/>. Use the information you learn from these and/or other sources as your supporting research for paragraphs 2.

Paragraph #1: **Describe in detail why you** decided to further your education and pursue bachelor's degree at this particular time in your life?

Paragraph #2: **Describe** your career goals. Include research to show the employment outlook and educational requirements for your area of study (e.g. U.S. News and World Report lists nursing as one of the top career choices for the next decade.) (e.g. Nursing programs are urging students to complete their B.S.N. after receiving the R.N. to increase their employment opportunities.) Next, include the skills and/or qualities you possess that are necessary for this career. Finally, tell how this career choice will help your family.

Paragraph#3: **Describe how** you plan to pay for college and if chosen as a STARS scholar, how you will use the scholar's expense fund (e.g. books, supplies, uniforms, child care, transportation, etc.) Include what resources you have available in case of a financial emergency (e.g. Your car breaks down, how will you get it fixed and/or get to school?)

Paragraph #4: **Describe** your plan for balancing your life while you are in school (being a parent, a student, an employee, etc.).

Paragraph #5: **Describe** any *special circumstances* that directly affect your financial need for school (i.e. recent divorce, job loss, medical bills, credit issues, or anything else).

Paragraph #6: **Describe** how you see yourself helping your community once you've received your degree.

Paragraph #7: **Describe** why you believe you should be chosen as a STARS Scholar.

IMPORTANT; PLEASE READ

The essay is the major piece of information used by the committee to determine your selection. Below is a list of the areas the committee uses to evaluate the essay. Please take time to ensure that it adequately includes each of the areas. It is also a good idea to have another person proofread your essay prior to submission. You must receive a minimum score of 75% to be considered for this scholarship. However, 75% does not guarantee acceptance.

Scoring:

- 5 = Fully Developed
- 4 = Mostly Developed
- 3 = Partially Developed
- 2 = Minimally Developed
- 1 = Lacks Development

The Essay...

_____ Describes reasons for pursuing higher education and its impact on the family.
